GitHub: <https://github.com/nithinkonakalla> | **Portfolio:** <https://my-portfolio-three-sooty-27.vercel.app/>

Aspiring SAP RAP Developer with a non-traditional background and a strong self-driven transition into software engineering. Experienced in building RAP-based applications and modern SAP development practices through hands-on projects. Highly motivated to start a professional career in SAP development and continuously improve technical and language skills. Seeking an entry-level SAP RAP developer role in Germany.

SKILLS

SAP Technologies: ABAP, SAP RAP (RESTful Application Programming Model), CDS Views, OData Services

Programming: ABAP, JavaScript

Tools: Git, Eclipse ADT, SAP BTP, Vs code

Concepts: Object-Oriented Programming, REST APIs, MVC Architecture

Web Technologies: React.js, Node.js, Express.js, MongoDB (MERN Stack)

EXPERIENCE

SAP RAP Application (End-to-End Project)

- Designed and developed a full-stack RAP-based application
- Implemented CDS views, behavior definitions, and service bindings
- Built OData services and tested application functionality

AI SaaS Text-to-Image Generator App

- Developed an AI SaaS Text-to-Image Generator App with credit system and Razorpay payment gateway integration.
- Integrated secure user authentication with JWT (JSON Web Token) for safe login and user management across web projects.
- Utilized GitHub for version control, branching strategies, and CI/CD automation.
- Focused on scalable SaaS architecture, performance optimization, and modern deployment workflows using Git and GitHub.
- Demo : [Imagify](#)
- Source Code: [nithinkonakalla/AI-SaaS-Text-to-Image-Generator-App](https://github.com/nithinkonakalla/AI-SaaS-Text-to-Image-Generator-App)

Family Businesses Management | Self-employed

2019 – Present

- Managed daily operations and decision-making for two family businesses in Koyyalagudem, India.
- Developed strong problem-solving, organizational, and decision-making skills through hands-on business management.
- Handled responsibilities requiring accountability, initiative, and continuous learning in a fast-paced environment.
